To : All PACC Grant Applicants 2021/22

**From : Itumeleng Mogorosi (Mr)
Chief Executive Officer (Acting)**

Subject : Clarity on administration of appeals on the 2021/22 PACC Grant Funding

Date : 14 February 2022

1. Mmabana Arts, Culture and Sport Foundation (MACSF) finalized adjudication process for the 2021/22 PACC grant funding cycle.
2. Outcomes letters were issued to applicants and specifies the process for appeals (should any of the applicants decide to appeal the outcomes). Artists / Practitioners must submit the appeal to the email specified on the outcome letter.
3. We received several enquiries (written, and thorough meetings), based on these enquiries, we provide the following clarity:
 - 3.1. Appeals Committee: An appeals committee will process appeals received, none of the members who were on the adjudication will be part of it.
 - 3.2. Appeals must be submitted within 30days from **date of receipt** of the outcome letter, not from the date of the outcome letter.
 - 3.3. The appellant must substantiate the appeal, provide evidence that supports the appeal in order to assist the appeals committee to process the appeal.
4. Your cooperation will be appreciated.
